Dussehra or Vijayadashami is an important Indian festival, which signifies the victory of good over evil. It shows us the importance of truth and righteousness. Furthermore, it makes us believe in the light at the end of the tunnel. As you all are back to your classes after spending your Dusshera holidays, it is time to think creatively and answer the following questions –

1. How does Sita's perseverance in difficult times inspire us to remain resilient during challenges? (SDG Goal 5- Gender Equality)

2. The Ramayana teaches us the importance of standing up for what is right. Can you share an incident when you had to stand up for justice? (SDG goal 16- Peace, Justice and Strong Institutions)

3. How does Ravana's downfall teach us about the consequences of arrogance and greed? (SDG goal 12 - Responsible Consumption and Production)

4. How does the unity of different characters (vanaras, humans and animals) in the Ramayana teach us about inclusivity and working together for a common goal? (SDG goal 10 Reduced Inequalities)

5. How does the friendship between Lord Rama and Hanuman demonstrates the importance of teamwork and loyalty? (SDG goal 17 - Partnership for the goals)

Note : Submit the assignment by 28th October 2025 to the class teacher.

Happy learning and growing together!
