Dussehra or Vijaydashami is an important festival in India. It is mostly celebrated by Hindus. This year it falls in the month of October. This festival marks the victory of Lord Rama over the demon king, Ravana which symbolizes the victory of good over evil.

Dussehra is celebrated differently in different parts of the country. In West Bengal it is celebrated with the worship of Goddess Durga. Performing and staging the Ramlila is an integral part of the celebration.

After spending your Dussehra and Diwali holidays, it is time to think creatively and answer the following questions briefly :

1. It is said that if you are on the side of truth, victory will be yours. Can you describe a situation where you followed the path of righteousness which also had many hurdles but the result was beyond your expectations? Explain it briefly. (SDG no. 16 Peace, Justice & Strong Institutions)

2. The main reason which eventually led to the defeat of Ravana was his self-obsession and ego. What will be your course of action if you happen to meet a person like him ? How will you convince him to change his attitude?

3. **'An estranged friend is the worst foe'**. This is what exactly happened to Ravana whose brother Vibhishana revealed the secret which led to his death. Have you ever been in a situation where a friend of yours has revealed your secret? How did you handle the situation ? (SDG no. 16 Peace, Justice & Strong Institutions)
